A vehicle that has once been registered for any of the above designated periods shall, upon reregistration, be registered for the period bearing the same number, and the registration card shall show and be the exclusive proof of the expiration date of registration and licensing. Vehicles may be initially registered for less than a twelve (12) month period, or for more than a twelve (12) month period, and the fee prorated on a monthly basis if the fractional registration tends to fulfill the purpose of the monthly series registration system.

(2) For all school buses operated either by a nonprofit, nonpublic school or operated pursuant to a service contract with a school district for transporting children to or from school or in connection with school approved activities, the annual fee shall be twenty-four dollars (\$24.00).
